## Now I Lay Me Down to Sleep

---

Now I Lay Me Down To Sleep (NILMDTS) is a non-profit organisation committed to assisting parents and families experiencing early infant loss.

All NILMDTS photographers and the dispatch team in Ireland are volunteers that have donated their time, talents, and funds to serve families with this valuable service.

Please take comfort in knowing that we can provide beautiful, sensitive images of your baby for you to cherish forever at no cost.

### **THE FOLLOWING ARE THE ANSWERS TO THE MOST COMMON QUESTIONS:**

#### **What does NILMDTS provide to families?**

NILMDTS provides the free gift of professional portraiture. Images will be professionally retouched and converted to black and white or sepia tones to create a heirloom quality portrait. NILMDTS volunteers will not provide the originals, non-retouched images, or colour images as per agency policy and guidelines. We highly recommend families also take their own pictures to capture moments with their babies that our photographers may not be there for and also if they are wanting types of images we do not provide.

#### **RETOUCHING SERVICES:**

Professional retouching is available in the absence of a photographer.

For more information or to upload your photos, please call 083 - 377 4777

#### **How will I receive my images?**

You will receive a memory stick by post to your home or your photographer will speak to you about other options which may become available. Your images will also be uploaded to a secure Now I Lay Me Down to Sleep photo delivery service where you will have private access to them online and from where you may share the link with family or friends.

#### **How long will it take before I receive my images?**

While many times, images may be available sooner, please allow your photographer up to six weeks to prepare your images to ensure the best quality. Please take into consideration that all our photographers are volunteers who have other personal and professional obligations and give graciously of themselves to volunteer their time whenever possible.
